BRICKIES' OWN 1L
CONCENTRATED MORTAR PLASTICISER (CLEAR)

A concentrated air entraining product
 Promotes workability in mortar
 Makes 20 litres when diluted
 Manufactured to conform with AS1478

CEMENT AUSTRALIA

Sufficient to lay up to **250,000** standard bricks

ENHANCED WORKABILITY & STRENGTH without the danger of dust inhalation

MORE ECONOMICAL
 1L pack makes 20L of diluted plasticiser

BRICK & BLOCK LAYING

RENDER

MORTAR

DIRECTIONS FOR USE

- 1 Shake bottle before use. Dilute 1 litre of Brickies' Own with 19 litres of clean water in a clean container (at least 20L capacity) and mix well.
 - 2 Mix 12-25ml of the diluted Brickies' Own mix to 20kg cement in a typical M3 mortar.
- ✓ Diluted Brickies' Own Plasticiser can be used for up to 12 months, provided the solution remains clear and is stored in a cool location away from direct sunlight.

- ✓ Clear amber-coloured liquid is easier to measure, mix and dilute than powder-based plasticisers
- ✓ Air-entraining properties increase **smoothness, strength, adhesion** and **workability** of mortar, render and other sand/cement mixes
- ✓ Improves **flexibility** and **durability**
- ✓ **Reduces the cracking** and weakening effects of thermal expansion/contraction and frost
- ✓ Can be used in both sand/cement and sand/lime/cement mixes
- ✓ Manufactured to conform with AS1478
- ✓ **pH neutral** and biodegradable - safer to handle than lime, with less mess on site
- ✓ Chloride and Triethanolamine free, and will not affect alkalinity of mortar

- When working with cement products, always avoid contact with skin and wear gloves, mask and safety goggles.
- Store in HDPE plastic, air-tight container and check regularly for spills. Do not store in metal container.
- Non-flammable, but combustion may release toxic fumes.
- Do not mix Cement Australia Brickies' Own with other chemicals or additives.
- Check your local government by-laws for appropriate disposal of pack and discarded product. Do not wash into drains or waterways.

PRODUCT DISCLAIMER

Recommendations regarding the use of this product are to be taken as a guide only. If in doubt contact Cement Australia Pty Limited ("Cement Australia") or seek professional advice. To the extent permitted by law, Cement Australia excludes all implied warranties, conditions and guarantees imposed by legislation. Cement Australia excludes all liability for loss, damage or injury arising from use of the product (i) otherwise than in accordance with the recommendations or (ii) for purposes other than those for which it is ordinarily acquired. For all other loss, damage or injury arising from the use of this product, to the extent permitted by law Cement Australia's liability is limited, at its discretion, to refunding the cost of the product or resupplying the product or equivalent product.
